

## **Minimum ECCE Enrolment Exemptions**

### **DCYA Procedures**

In certain circumstances, a service may receive an exemption from the minimum number of ECCE children required per session. As per the ECCE Grant Funding Agreement:

9. *The Registered Provider shall have a minimum daily enrolment of 8 children in pre-school room sessions who are eligible for the ECCE programme. Subject to compliance with all other contractual requirements, exceptions will be considered by the Grantor (through the CCCs) in the case of:*
- a) *Registered Providers who have a daily enrolment of at least 8 children but, for good reason, only 3 or more are in the ECCE programme and the remainder are between the ages of 2½ and 6 years;*
  - b) *smaller Registered Providers which are considered appropriate settings for delivery of the pre-school programme but, for good reason, have a daily enrolment of not fewer than 5 ECCE eligible children in pre-school room sessions; and*
  - c) *a service that has an ECCE room that is full but has children eligible for ECCE in a room that is an appropriate setting for the delivery of the pre-school programme but which has a daily enrolment of not fewer than 5 children between 2½ and 6 years - subject to the requirement that ECCE staff qualification criteria are met.*

**Note: requirement of 8 ECCE eligible children applies to each session in multi-roomed services.**

**You must apply to your local CCC for one of the exemptions listed above. Your application will be processed by the DCYA.**
